WE CAN ASSIST YOUR PROJECT TEAM ENSURING EFFECTIVE VERIFICATION OF DEFINED AND DISALLOWED COST

ONGOING AUDIT AND PROJECT CLOSEOUT REVIEWS

Our skilled teams are able to support your project in ensuring effective audit trails and checks are carried out during the currency of the project and before final settlement of sums becomes due.

We will audit project records relating to Defined Cost and Disallowed Cost, and will verify the Price for Work Done to Date in accordance with the NEC principles under the Schedule of Cost Components.

We are able to make recommendations for improvements in record keeping and future audit scope and processes, assisting the project control team in ensuring effective preparation and assessment of Compensation Event quotations and applications for payment.
