

## **SOLOMONS EUROPE SHORTLISTED FOR THE CONSTRUCTION INVESTING IN TALENT AWARDS**

Solomons Europe has been selected as a finalist in the HR Star of the Year and Best Place to Work categories of the 2016 Construction Investing in Talent Awards, making the first ever shortlist of this brand new award scheme.

Brought to you by Construction News and New Civil Engineer, these awards are about rewarding individuals and teams who work so hard to attract and retain the best talent.

Construction News editor Rebecca Evans said:

"This year's shortlist demonstrates just how hard businesses across the whole industry are working to attract, retain and develop the best talent.

The initiatives highlighted by our finalists demonstrate the all-too-often unsung creativity of the people behind the projects.

We can't wait to celebrate all their achievements at the awards in December – and to reveal the winners."

The winners will be announced at a glamorous awards ceremony at the Grosvenor House hotel in London on 8 December.
